Sir

I have the honour to request that you may kindly convey to the Government the urgent necessity of providing an Assistant Sanskrit Pandit for this Institution the number of Students taking Sanskrit both in the School and College departments is now so great that it is too much that one Pandit should have all the work assigned to him there are now almost as many taking Sanskrit as there are Kanarese and with such large numbers it is ample work for one man to take all the four College classes alone

alone I beg to propose therefore that an Assistant-Sanskrit Pandit on Rs 20/ to begin with should be sanctioned His duties to be normally — the Sanskrit teaching of the three High School classes but he should be capable of taking any College classes in the absence of the Senior Kannada Pandit I would propose that Mr M K Ramanuja Iyengar, age 26, who has passed the Mysore Pandit's Examination in Sanskrit-Philosophy and Sankya in II class and in Sanskrit-Literature in the I class (II) Madras Pandit's Examination in Sanskrit Literature in I class & in Philosophy in the I cla (III) Madras class Examination in Sanskrit-Logic in the I class and in Vedanta in the I class and is now reading English in the Matriculation class of Maharaja College, Mysore thereby shown

I have the honour to request that you may kindly convey to the Government the urgent necessity of providing an Assistant Sanskrit Pandit for this institution The number of students taking Sanskrit in the School and College Departments is now so great that it is impossible that one Pandit should have all the work assigned to him The examinations in Sanskrit alone are many and the Sanskrit classes and work as a whole are large enough to engage the whole time of one man to take all the first College classes I beg to propose that an Assistant Sanskrit Pandit on Rs 60 to be designated Sanskrit Pandit Grade II of the three High School classes should be appointed of taking any College classes entirely off the shoulders of the Senior Kannada Pandit I would propose that Mr M K Tunga a graduate of 26 who is passed (1) the Mysore Pundits Examination in Sanskrit Philosophy and Sahitya and Nyaya and Sanskrit Literature in the ICS (2) Madras Pandit Examination in Sanskrit Literature and in the ICS and (3) Madras Classical Examination in Sanskrit in the I and II classes and in Vedanta in the I and II Classes and is now reading in the Maharaja's College of Mysore be appointed on Rs 60 He is highly recommended by his teachers and I believe he would be appointed to the permanent establishment after a year's probation if his work proves satisfactory
